Military Department.

No. 9 of 1855.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

Reply to Letter dated 2nd September 1854, No. 214.

Government transmit papers relating to the conduct of Lieut. A Procter, 39th N. I., who, while in command of a detachment of the Arracan Battalion in Burmah, summarily executed two Burmese, apprehended in his Camp as spies. He was tried for murder, but the Court Martial convicted him of manslaughter, and sentenced him to three months' imprisonment, 'recommending him to mercy. The sentence was not confirmed by the Commander-in-Chief. Government published a General Order on the occasion. Lieut. Procter has been remanded to his Regiment. Regiment.

1. We have perused these proceedings with ex-

treme regret.
2. Without entering into a detail of the particulars of the transaction, of which a lucid narrative is given in your General Order of the 21st August 1854, we desire to record our entire ac-

quiescence in the views and sentiments expressed by the Governor General in Council on the occasion.

3. Lieutenant Procter, in being deprived of his detached employment, has received a very slight and inadequate punishment for his unjustifiable act. His greater punishment will be found in the strong and expressive terms used in General Orders in condemnation of his conduct, and in the reflection that, from error of judgment, he took on himself the heavy responsibility of causing two fellow-creatures to be put to death. We entertain no doubt but that the announcement of your sentiments will suffice to prevent any similar act of violence hereafter.

We are, &c.,
